El Paso, Texas

Dear Mr. Leming

I have been informed by James Morawitz Superintendent of Reclamation District No 684 that you have recently build more boat houses without proper permission. He also informs me that he warned you many times about such matters. The project now being completed will be fastened in a way complying to the rules and regulations to the benefit of Rec. Dist. and all concerned. No more building will be allowed you in the future without approval

of Reclamation Board under
Article 1, Article 2 Article 6
and Article 7 of Chapter 3 of
part 4 of the Water code of
the State of California and
especially of Sections 8598,
8615, 8616, 8617, 8700 to
8723, inclusive, which
is illegal to build or tie
on the levee that may
damage or endanger the levee
in any way, or hamper ⁱⁿ any
way the repair of levees.

Get in touch with James
Moranda for instructions.
Yours
